OBJECTS OF ALLEN COUNTY
MEDICAL AUXILIARY

926147

a -- To interpret the aims of the medical profession to other organizations interested in the promotion of health education.

b -- To assist in the entertainment at the sessions of the medical association.

c -- To encourage friendliness among the families of the medical profession.

d -- To do work approved by the Advisory Council for the Allen County Medical Auxiliary.

THEORY OF ALGEBRA
PART I

1. The object of this book is to present the theory of algebra in a systematic and comprehensive manner. It is intended for the use of students of mathematics and of those who are interested in the subject.

2. The book is divided into two parts. The first part contains the theory of algebra, and the second part contains the theory of arithmetic.

3. The theory of algebra is presented in a systematic and comprehensive manner. It is intended for the use of students of mathematics and of those who are interested in the subject.

4. The theory of arithmetic is presented in a systematic and comprehensive manner. It is intended for the use of students of mathematics and of those who are interested in the subject.
